**RESPONSE TO NOTICE OF MISSING REQUIREMENTS, 35 USC §371**

Dear Sir:

This communication is responsive to the Notification of Missing Requirements mailed 16 December 2005.

Applicants enclose herewith:

1. A signed inventor's declaration, in compliance with 37 CFR §1.497(a) and (b).
2. A Power of Attorney and Certificate under 37 CFR §3.73(b), executed by an authorized representative of the Assignee of this Application. The assignment referred to in this document has already been recorded on June 7, 2005, at Reel 016103, Frame 0216. Applicants enclose copies of an assignment from the inventors, a certificate of change of name of the assignee, together with recordation cover sheets and Notices of Recordation.

3. A copy of the Notification of Missing Requirements.
4. A fee transmittal under cover of which the \$130.00 fee for the foregoing declaration is submitted.
5. A copy of the Fee Transmittal and check submitted to the Office in this application upon its entry into the National Stage on February 9, 2005. In this connection, Applicants maintain that they had correctly calculated the excess claims fee, as shown in the transmittal. After preliminary amendment Applicants have submitted 27 claims, which is 7 in excess of 20. The excess claims fee for a large entity is \$50 per claim. Hence, Applicants submitted an excess claims fee of  $7 \times \$50.00 = \$350.00$ . Applicant's attorney has carefully checked the calculations for this fee and the remaining fees then submitted, and can find no error. Applicants further note that the Office likewise found that there were 7 claims in excess of 20; but for some reason asserted that \$100 was due for these 7 excess claims, which does not comport with the fee schedule then or now in effect. Applicant believes that this additional claim fee was asserted through clerical error and asks the Office to check its calculations. If after reinspection of this calculation the Office confirms its assessment, Applicant authorizes the Office to charge the deficiency to Deposit Account No. 503138 of Daspin & Aument, LLP. A duplicate copy of the transmittal is provided to the Office for this purpose.

6. A return postcard.

Respectfully submitted,

---

**FEE TRANSMITTAL**

Dear Sir:

Applicant calculates the fees associated with the enclosed papers as follows:

Section	Fee Code	Fee Description	Fee Paid
1.492(h)	1617	Inventor's Declaration after 30 months from priority date, large entity	\$130.00
		<b>Total</b>	<b>\$ 130.00</b>

02/21/2006 MKAYPAGH 00000105 10524684

01 FC:1617

130.00 OP

Applicant encloses a check to the Director of the United States Patent and Trademark Office for the above total amount.

As is discussed in more detail in the Response to Notice of Missing Requirements transmitted herewith, Applicant believes that the \$100.00 deficiency in excess claims fee, as calculated by the Office, was calculated in error, and Applicant therefore does not include it. Nevertheless, should the Office confirm this calculation, the Commissioner is hereby directed to charge any deficiency, or credit any overpayment, to Deposit Account No. 503138 of Daspin & Aument, LLP, and a duplicate of this transmittal is provided for this purpose.

Respectfully submitted,
